Sight-In Days Are Coming...

Come to the AGC Meeting Monday, Aug 30th... Join the Fun!

Every Fall the Gun Club invites the public to come and sight-in their hunting rifles and slug guns. It's turned into a kind of Rite-of-Fall that many people look forward to.

For the Alex Gun Club, its also a way to intro-

duce new members and potential new members to the facilities of our shooting range. Anyway, we'll be planning for this big even at the meeting Monday, Aug 30th, at the Shooting Range, at 6:00 PM. We'll look forward to seeing you!

Cowboy Action Will Host the Muster...

Minnesota Muster Historical and Re-enactment Event September 11th!

Article by Dale Haug - We practice Cowboy action Shooting every Tuesday evening at 6:00. A related activity is participation in the Grand Army of the frontier. We will be having a Department of Minnesota Muster (shooting contest) at our range on the 11th of September. Information about the Grand Army of the frontier can be found at: <http://www.grandarmyofthefrontier.org>. If you have questions, you can contact me (Dale Haug) at: cljake@wisper-wireless.com or 320-766-6601

The Goal and Mission of the Grand Army of the Frontier is to honor the memories and achievements of the late Victorian-era military of all nations between 1858 and 1904, with a particular emphasis on American army on the Western Frontier between 1860 and 1900, though the pursuit and sharing of knowledge, and by actively participating in the hobbies of Cowboy Action Shooting, historical reenacting, living history programs, skirmishing, social events, and other activities while wearing appropriate military attire.

Membership is open to anyone who shares an interest in the history, organization, arms, uniforms, equipment, and personnel of the Victorian-era military.

All members are expected to conduct themselves with courtesy and respect toward their fellow members, as they would likewise expect to be treated in return.

The Grand Army of the Frontier is NOT a military, paramilitary, pseudo-military, or militia organization, and does not espouse any political philosophy or policy.

Attached are some pictures of our participation in the National Muster last fall.

UFC Champ Brock Lesner Visits AGC...

Shooting a Video with Federal Cartridge... Club Pres Rod Was There!

UFC World Champion Brock Lesner and the federal Cartridge Company made use of our Shooting Range recently to shoot a video.

Club president Rod Schultz was there... Brock looks to be offering Rod a free sample... Just kidding!

AGC Mowing by Natalie...

This Summer the AGC Shooting Range has been mowed regularly by Natalie Brown.

Natalie works part time for E. Arthur Brown Company and came out about once a week to mow the parking lot and range.

This service was paid for as an experimental project, looking into the feasibility of sponsorships to help cover gun club overhead costs. Natalie was sponsored by eabco.com.

Are You "Expired" or Forgotten? We're Improving our Membership Status System

We're upgrading our database with the idea of keeping members better informed on their membership status. You should see a 2-digit number on your mailing label that tells the year that you are paid up through. If your number is 09 or lower, your membership is expired. If you believe this is in error, please call Eben at 320-491-8069. If you need to renew, remember its \$50 membership for one year, checks payable to Alex Gun Club.
