Indoor Shooting Starts Feb 1st
Club Members Can Now Use the ATC Indoor Range

Club president Rod Schultz and the board members have committed to 10 week nights of shooting at the Alexandria Technical College Law Enforcement Shooting Range. It's a "State of the Art", heated and ventilated indoor shooting facility with automated targets, and ten individual shooting stations. **Club members will be shooting every Tuesday night for 10 weeks beginning February 1st.**

Two Programs - There will be open shooting as well as a 10 week Bullseye League. Individual fees are \$10 per person per night for open shooting and \$50 per person for the entire 10 week Bullseye League (best deal).

FREE Orientation and Tour - See the range and sign up for shooting on Tuesday Jan 25th at 6:00 PM. For more information call Rod at 320-491-2911 or Darryl Staley at 320-762-8220.

Important Note... The ATC Indoor Shooting Range is not open to the general public. This rare shooting opportunity has been made possible through almost two years of negotiations spear-headed by Darryl Staley and Rod Schultz as well as other members of the AGC leadership and ATC Law Enforcement Department personnel. Part of the deal involves the Gun Club's insurance for current members... Which means you have to be a current member of the Alex Gun Club to participate in this program. Please come to the **FREE Orientation and Tour Jan 25th.**
