Our new Landlord Todd Heald has fenced off and planted an orchard over the old AGC Range Entrance. We are directed to use the Driveway that goes past the house and through the yard.

Tune-Up Time at the AGC Range...
Summer is for Fine Tuning Accuracy, Skills, and Equipment!

The Alexandria Gun Club Outdoor Range is ready for action: Target Holders are repaired, garbage is picked up, grass is cut... It's all set for you to spend some quality time with your favorite rifle or handgun.

For many of us, this is the time of year we can finally develop and test the special hand loads we hope will give us the best accuracy. For oth-

ers it's a new scope to sight in or get the hang of. And for others, its just great to get out and do some target shooting and plinking.

Remember, you need to be a paid current member of the club to use the range. There's no additional range fee for members. And guests of members are most certainly welcome when accompanied by a member (\$5 per guest fee).

Directions to the AGC Outdoor Range

New members have asked how to get to the outdoor shooting range so we're publishing directions and this map.

From Garfield, go south on 40 all the way past the freeway where it changes to 114. Turn east on Magnuson and follow the map.

From Alex, go west on 27 all the way past the freeway, past Von der Heide, and turn north onto Englund. Then follow this map. Bear right past the house on the Farm Driveway and you'll see the gate that opens onto the AGC Range.
